I understand that this is a People's Choice competition. There is no cash prize - only "bragging rights" involved and vote by popular choice will be determined by the event organizers. Any disagreements, concerns or "ties" will be settled at the discretion of the organizers and final decisions will stand based on final determination at the close of the event.

I am aware this is a friendly competition for the purpose of raising funds for the 501c3 recognized non-profit organization known as All Are Welcome and agree to participate in the spirit of good-sportsmanship and fair play.

This is an OUTDOOR event, electricity is not available. Event organizers will provide a limited supply of ice (amount TBD), 2oz tasting cups, and all voting materials. Any additional supplies or ingredients to be served will be the responsibility of the entrant. A minimum of 100 guests are expected - please plan enough product for the event; management will not be responsible if you run out prior to the end of the days voting. This event runs from 11AM - 5PM with voting ending at 4:45 for final judging (last call - 4:30PM).

Camping / KOA regulations are SEPERATE from the Beans N Brews event. Any matters directly related to camping or use of the KOA campground including (but not limited to) fees, site assignments, guests and regulations are not the responsibility of All Are Welcome managers, event organizers or volunteers.

By participating in this event, I agree NOT to serve alcohol to any guest of the campground without proper ID.

I have read, understand and agree to the above rules and considerations for entering /attending the ALL ARE WELCOME FAMILY FUN DAY Homebrew Tasting:
